

Small nail 

Hanging Template for 6x6 Metal Photo Print

1. Print template out at 100% scale so that it measures 6" x 6" on your paper
2. Cut out template on the blue dotted line
3. Place templates where you would like to hang your pictures. Use tape to adhere it to the wall
4. Measure the spacing of images to your liking, use a level to align items in a straight line!
5. If using Command Strips, place a pencil mark on the wall at the top 2 corners of each template
6. If using nails, hammer in nails in the middle of the marked spot on the template.
7. Hang your pictures!
